May 13, 1968

Dear Emil,

Assuming that you are the Ernest Erlor mentioned in today's N.Y. TIMES as coordinator of a May 27th rally in support of the urban aid recommendations of Gov. Hughes, I want to express my hearty commendations. I hope that the rally is successful in dramatizing this crucial issue, and that the Legislature is convinced of the rightness of this your cause.

Sincerely,
Ellen H. Hunter
